Changes in the Department of Mines and Mineral Resources

As indicated in our [notice dated May 11, 2010](#), the Arizona Mining and Mineral Museum (AMMM) is being transferred from the Department of Mines and Mineral Resources (DMMR) to the Arizona Historical Society (AHS) effective midnight July 29, 2010. This is in accordance with HB 2251, which was signed into law by Governor Brewer on May 6, 2010.

All future correspondence or contacts regarding the Museum should be made through either Dr. Anne I. Woosley, Executive Director of AHS (phone: 520-617-1169; woosley@azhs.gov), or Dr. Jan C. Rasmussen, Curator, AMMM (current phone no. 602-771-1612; curatorazmmm@gmail.com).

DMMR will remain in its present location through September 20, 2010 when it is planned to move to 1520 West Adams. Use the west door of this building, located on the north side of the parking lot behind 1502 West Washington (our present location). The DMMR offices and facilities will be closed between September 13 and September 24 because of the move; the website will also be off. Some facilities may not be available for a few days before and after the above dates. To the best of our knowledge the phone numbers for the current DMMR staff will remain the same.

Should you have any questions or comments please address them to Madan M. Singh, Nyal J. Niemuth, or Sandra E. Regalado.

Thank you for your cooperation, patience, and understanding during the move.
Madan Singh, Director
